Randall and Melissa,

Attached, as you requested, is an index of our production that we prepared from the data contained in the database we sent you. All of the information was and is equally as available to you as it is to us, but we have provided this to you as a courtesy. In doing so, we do not intend to waive, and have not waived, any of the protections of the work product doctrine, or any other applicable privileges or protections.

Thank you.
